BIG NEWS: today is a bonus day on GlobalGiving! Every donation will be matched by GlobalGiving, so you can double your impact by giving right now. Your donation will support our general sponsorship fund. Many circumstances can lead to a loss of students' sponsorship moneys. This important fund allows us to keep students in school without interruption. Even

small donations are so valuable for our Kenyan students, and if you donate now, your gift will make an even bigger difference. [Click here to donate.](#)

Look What's New

May 28th is International Menstrual Hygiene Day. Did you know that 1 in 10 girls in Africa may drop out of school due to their period? Kenya Keys has made it a priority of our work to make and distribute sanitary kits to the girls in Kenya. If you'd like to learn more, here are a few links to stories and information:

Our People Are the Best!

We are so lucky to have Missy McConkie as a volunteer! She directs all Global Classroom activities in the Portland, Oregon area. In addition she sponsors a student and frequently organizes fundraisers in schools and the community. She regularly assists Director Rinda Hayes with school presentations and is an ambassador for Kenya

Keys everywhere she goes. Thank you, Missy! We couldn't do this without you.
