

# Jambo!

## A Decade of Changing Lives

437 students educated. 11 libraries opened. 8,550 books delivered. Countless lives changed. WOW! Ten years ago, Kenya Keys had its simple beginning in one small village in Kenya. This past decade brought changes that are nothing short of miraculous. Every year and every accomplishment was possible because of you! Thank you for being part of the Kenya Keys'

family. Read Rinda's reflections [here](#).

*During our celebrations, we enjoyed many delicious Kenyan dishes. Grace Kuto kindly provided one of her Kenyan recipes so you can make it yourself. Check it out [here](#).*

## Celebrating Our Connections

Samson Charo, Kenya Keys' first college-sponsored student joined us as we celebrated our 10th Anniversary with supporters in Oregon, California, and Utah. He is the embodiment of the power of our sponsorship program, having completed his master's degree and now serving as a vital leader, mentor, and a member of the Kenyan Board. Read his [blog](#) about what it was like to meet the sponsoring couple that changed his life.

## A Whole New Life

Many of you have heard the story of Flora Mutiso, who was attacked by an elephant on her way to school. No one thought she'd ever return to school, but she's one of our miracle stories. Her determination helped her overcome her brain injury, and a Kenya Keys sponsor made it possible for her to not only finish high school, but go on to Kasii University. She'll graduate in December as a math and chemistry teacher, becoming a role model for all girls in the area. Way to go Flora!

Read her story [here](#).

Have you heard of GivingTuesday? It comes each year after Black Friday and Cyber Monday (it's on Dec 1st this year). Its purpose is to encourage everyone to give back. Watch for more information about our Giving Tuesday project.

*If you haven't been to [kenyakeys.org](http://kenyakeys.org) lately, you should pay us a visit. We launched a whole new website in October, and we are really pleased with how it turned out. Check it out and let us know what you think.*

## ***The Picture of Joy***

We in the U.S. were very excited when we were able to ship 122 sanitary kits to Taru this fall. But the girls who received them were even more excited. Many thanks to all of you who invested so many hours in the production of these kits. They were sent with love and received with joy.
